2. Comment. Export deliveries by GDR hydrogenetics plants. 2. Comment. Shipments to the USSR from the uranium ore mining district in Saxeny. 2. Comment. Incoming shipments of new motor vehicles and outgoing shipments of deactivated motor vehicles within the framework of the current motor vehicle replacement program of Soviet units. 2. Comment. Continued entroping shipments of deactivated locomotives 25X1 to Foland. 2. Comment. Incoming ammunition shipments for the known ammunition 25X1 depot at Altengrabow. 2. Comment. Large crates with load exceeding standard measurements seemed to indicate incoming aircraft shipments. This assumption may appear doubtful in view of the fact that Dallgow is the receiving station. 2. Comment. Continued shipments of T-54 tanks. All shipments were reported for the first time, in spite of the fact that the shipment elsewed on 21 August had no load exceeding standard measurements. 2. Comment. Export deliveries by GDR railroad car factories. 2. Comment. Incoming jet fuel shipments to units of the Twenty-Fourth Air Army. 2. Comment. It remains to be seen if T-54 tanks or heavy tractors were involved in these shipments.			OBA DISM		25X1
3. Comment. Shipments to the USER from the uranium ore mining district in Sarcay. 4. Comment. Incoming shipments of new motor vehicles and outgoing shipments of deactivated motor vehicles within the framework of the current motor vehicle replacement program of Soviet units. 5. Comment. Continued engaging shipments of deactivated locomotives to Foland. 6. Comment. Incoming ammunition shipments for the known ammunition depot at altengrabors. 7. Comment. Large crates with load exceeding standard measurements seemed to indicate incoming aircraft shipments. This assumption may appear doubtful in view of the fact that hallgow is the receiving station. 8. Comment. Continued shipments of T-54 tanks. All shipments were reported for the first time, in spite of the fact that the shipment elements of all angust had no load exceeding standard measurements. 9. Comment. Export deliveries by GDR railroad our factories. Comment. Incoming jet fuel shipments to units of the Twenty-Fourth Air Army. 11. Comment. It remains to be seen if T-54 tanks or heavy tracters were involved in these shipments.			SECRET		25X1
district in Sareny. Comment. Incoming shipments of new motor vehicles and outgoing shipments of deactivated motor vehicles within the framework of the current motor vehicle replacement program of Soviet units. 5. Comment. Continued entgeing shipments of deactivated locomotives to Foland. 6. Comment. Incoming ammunition shipments for the known ammunition depot at Altengrabow. 7. Comment. Large crates with load exceeding standard measurements seemed to indicate incoming aircraft shipments. This assumption may appear doubtful in view of the fact that Ballgow is the receiving station. 8. Comment. Continued shipments of T-54 tanks. All shipment sever reported for the first time, in spite of the fact that the shipment ebserved en 21 august had no load exceeding standard measurements. 9. Comment.
